RENTAL POLICY PROCEDURES

DAILY RENTAL: Gear must be returned the following day.

***All gear must be returned by close of business on the return day indicated on the contract (Mon-Fri: 1600, Sat: 1400). Leaving gear outside the CRC after business hours does not count as a timely return.**

ADVANCED RESERVATION - Most items in our rental inventory may NOT be reserved and are rented on a "first come" basis. However, those items followed with an asterisk may be reserved in advance. Please inquire with the staff for more information.

RENTAL FEES - Payment on all rental equipment is due upon receipt of equipment. No "after rental" payments are accepted without approval from the CRC manager.

LATE RETURNS - Late fees will be charged for each item returned after the close of business of the return date indicated on the rental contract. An additional 1-day charge per item per day for ALL late items will be charged.

REFUNDS - Refunds are not given for ANY equipment returned early. Inclement weather is not a justification for a refund. In order to justify a reservation refund, the renter must cancel all equipment reservations 48 hours prior to the opening of business on the pick-up date indicated on the contract.

EQUIPMENT RETURNS - All equipment returned must be clean, dry and undamaged. All equipment returned wet, dirty and/or damaged is subject to an additional cleaning fee to be determined by the CRC personnel. Please DO NOT place tents or other equipment in the washing machine. To clean most gear, simply spray gear with water from a garden hose and allow to dry in a shaded, well-ventilated area.

LOST, STOLEN & DAMAGED EQUIPMENT -The repair fee for damaged gear is \$15 per estimated hour of repair time (min. 1 hour), plus parts. Renters will be charged for gear that is lost, stolen, and/or damaged beyond repair. Replacement value will be determined by the CRC manager. Damage and replacement costs are not contestable.
