NATIONAL BULLYING PREVENTION MONTH
OCTOBER
National Bullying Prevention Month is a campaign in the United States founded in 2006 by PACER’s National Bullying Prevention Center. The campaign held during the month of October and unites communities nationwide to educate and raise awareness of bullying prevention. PACER developed the campaign in response to the need to raise awareness of bullying, as it was historically viewed “a childhood rite of passage” and believed that bullying “made kids tougher”, when the reality is that bullying has devastating effects such as school avoidance, loss of self-esteem, increased anxiety and depression. The PMRF Fitness team will be providing a variety of useful information to educate you and raise awareness about bullying.

Aloha Families,

Due to the COVID-19 outbreak, Navy Child & Youth Programs are not authorized to offer any events or gatherings. We hope you all stay safe, and we can get together again soon.

Choosing childcare is one of the most important decisions you make for your family. You have come to the right place for programs that are guided by the highest professional standards and tailored to meet the unique needs of Navy families.

One of the reasons you chose a life of military service is the Navy’s deep commitment to supporting families. You will see that commitment in action in Navy CYP in nationally accredited care for infants to teens; in high-quality care even during nontraditional hours to accommodate your working schedule; and in attention to detail, such as implementing practices that promote good nutrition, physical activity, and school preparedness.
To be eligible for care in Navy CYP, your child must have a military or other eligible DoD-affiliated sponsor. Eligible sponsors include active duty military, DoD civilians, reservists on active orders, active duty combat-related Wounded Warriors, and surviving spouses of military members who died in combat-related incidents. All families are required to show proof of eligibility upon enrolling.

Here at PMRF Child and Youth Programs we are able to support all of your childcare needs and provide you with resources. All CYP employees complete extensive training in child and youth development, relationships, and safety. PMRF Child & Youth Programs includes Child Development Center that serves children 6 weeks to 5 years old, and the Youth Center that serves school-age children ages 5 years to 12 years and youth ages 13 years to 18 years. We also provide resources and information from the School Liaison Program. The School Liaison Representative is a subject matter expert on education issues and resources. We are able to assist military families and provide resources on 7 core areas: school transitions/PCS, deployment support, special education system navigation, installation/school/community resources, and partnership in education, homeschool linkage, and postsecondary preparation.

MANA MOTORS AUTO SKILLS

The automotive braking system is the heart of vehicle safety. Brake pads and shoes wear as mileage increases. On the average, most brake pads wear to marginal wear limits within 40-50 thousand miles for the daily driver. For extreme driving conditions (steep grades, stop and go traffic), brake pads can wear as low as 30 thousand miles or less. Another important part of the brake system is brake drums & rotors. They too can wear and warp from extreme heat temperatures generated by excessive braking. When performing any form of brake pad or brake shoe replacement. It is recommended to have the drums and rotors resurfaced while installing new pads or shoes.

For the month of September and October, stop by Mana Motors to perform a brake service pad and or shoe replacement and we can resurface your brake rotors/drums at 1/2 off from standard resurfacing fees. If you purchase any set of brake shoes or brake pads through Mana Motors, receive a 10% discount on any brand of brake pads or shoes or any brake related products

***This special applies to ALL Active Duty Military only***

For more information, please contact MWR Auto Skills Center, 335-4439.
Being apart doesn’t mean you can’t connect with us. Join us for these fun and FREE activities online!
